I demand a Jury trial to have my illegal conviction overturned. If I would have gotten a fair impartial jury trial case at hand I would have been acquitted and wouldn't be sitting in prison right now. I didn't had impartial Juries they were misled by the prosecutor introducing an inadmissible evidence into evidence to get an illegal conviction. the Ju were bias when they put my immigration status onto instead putting my body on trial Attachment One (Complaint) -4 the entire Jury were tainted by one Juror Juror # 13 when she commented
